Re: Application by SBC Communications Inc., et. Al for provision of In-Region InterLATA Services in Michigan, WC Docket No. 03 -16

Dear Ms. Dortch,

I would like to inform you that I called Commissioner Adelstein and Commission Copps to discuss my support for SBC's application for Long Distance in Michigan. While neither Commissioner was available via telephone, I left messages with both of their administrative assistants.

I know that Michigan consumers and business will benefit from a fully open and competitive telecommunications market when Michigan Bell is allowed to compete for interLATA long distance services.

In accordance with this Commission's Public Notice, DA 03-156 (January 16, 2003), I am filing this letter electronically through the Commission's Electronic Comment Filing System. Thank you for your kind assistance in this matter.

Sincerely,
